

## Grosse Pointe South High School Fisher Plaza Bench Donation Form

The Fisher Road Entrance Plaza is a beautiful edition to South, increasing safety and accessibility, and creating a welcoming atmosphere. There are six benches on the plaza and the Mothers' Club is offering the opportunity to dedicate the benches with a commemorative plaque for \$2000. Your inscription will be on the bench forever and the funds we raise will go to the three pillars of Scholarships for students, Enrichment grants for teachers, and Preservation of South's historic campus.
