The 2nd annual Runs for the Roses is a new theme on a long-standing Mothers' Club tradition. Since 1928, the Mothers' Club of Grosse Pointe South has relied on the support of the Spring Benefit to support our three pillars:

- Projects and activities that **Enrich** the classroom experience
- College **Scholarships** for deserving South graduates
- Historic **Preservation** of our landmark school building

All proceeds from the Runs for the Roses benefit go directly to support the Mothers' Club and its mission to support Grosse Pointe South High School.

There are multiple ways to support the Mothers' Club and our spring benefit, sponsorships, monetary donations, silent auction donations, including sporting event tickets, vacation stays, and dinner cruises, or contact our chairs to discuss your ideas.

Benefit Chairs:

Erika Page (734) 674-8682
